THE NAME OF RICK HARTMANN HAS BEEN DELETED FROM THE REGISTER OF SPORTS CONTACTS WITH SOUTH AFRICA

The Special Committee against Apartheid has decided to delete the name of Mr. Rick Hartmann, a golf player from the United States, from the Register of Sports Contacts with South Africa.

In his letter of 12 June 1991, Mr. Hartmann stated:

"I am writing to you with regard to my request to have my name removed from the Register of Sports Contacts with South Africa.

"After competing on the Sunshine Golf Tour in South Africa for a number of years, I have now decided not to compete in that country again until such time as all the barriers, which support the apartheid system, are dismantled and permanently removed.

"I would be pleased if you would attend to this matter as I would like this situation resolved as soon as possible."
